

Cable Tidy Clips have a low-profile design, being only 15mm width x 8mm depth – giving a smart appearance which can be ideal for tight spaces (and door frames for example).

The self-adhesive clips are produced in UK, using a flexible PVC that makes it easy to add or remove cables.

Users can simply pull back the top cover to insert cables up to 7mm outer diameter, then release the cover to hold the cables.

- Self-adhesive PVC clips
- Keep cables in place
- Neat & low profile design
- Narrow base provides a versatile solution

Use our trusted and user-friendly Handy Hanger to store or carry cables, hoses & more. They are multi-purpose, and able to loop and lock around cables up to 90mm diameter. The grip handle makes the Handy Hanger a great choice for carrying portable loads. Alternatively, use the fixing slot to screw-fix the Handy Hanger to a surface.

Loop & lock your Handy Hanger by pushing tab through the selected notch, then pull the loop downward to lock the tab behind the notch. Ensure all of the tab is through the selected notch. To unfasten, push the loop upwards to lift the rear tab then pull the loop forward to unfasten.

- Handy Hangers can be unfastened and reused many times for many uses!
- Select from 4-notches, according to capacity required
- Grip handy for easy carry
- Handy Hanger can secure up to 20lbs weight
- Reusable & Multipurpose
