

Contain power strips & cable clutter,  
for homes & workplaces

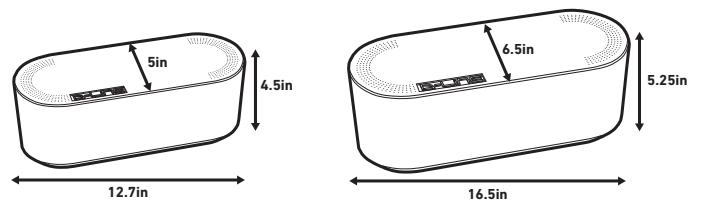

**D-Line Cable Organizer Boxes provide the most popular solution to contain power strips and cable spaghetti.**

The smart tech design blends with modern surroundings. 3x rear cable entry/exit slots enable cables to be routed to left-side, right-side or vertical.

Fully safety tested, and produced from electrically-safe robust ABS material with an effective click-lock lid, these Cable Organizer Boxes sort unsightly cables and contribute to a positive health & safety culture.

- Sort unsightly cable clutter
- Make surfaces easier to clean
- Make power strips less accessible
- Prevent feet snagging cables under desks - save entanglements and costly disconnections
- Produced using electrically-safe ABS material
